The film benefited from Japans relative control of the pandemic at the time of its release, the popularity of the franchise, and reduced competition from international films.120121 With both Los Angeles and New York City having allowed cinemas to reopen by March 2021, it was expected that film distributors would be more confident in releasing higher-profile films.122123 During that month, Disney announced that Black Widow would open in theaters on July 9, 2021 and would also be available on Disney+ the same day with Premier Access, following the same release strategy that was used for one of the companys other films, Raya and the Last Dragon.124 Two more of Disneys films, Cruella and Jungle Cruise, were also given this hybrid release.124125

Two weeks later, movie theaters in Los Angeles began reopening with 25% capacity. On March 23, 2021, Regal Cinemas announced that they would reopen their cinemas beginning April 2, 2021.199 On April 19, it was announced that capacity for New York cinemas would be raised to 33% on April 26.200 The same day, California issued an addendum that orange-tier counties would be restricted to 50% with no hard cap on patrons, and that counties under the yellow Minimal tier would be allowed to operate cinemas and other selected

venues at up to 75% capacity if all attendees present proof of full vaccination or a recent negative COVID-19 test.
